Lights Out (Comedy in the Dark)

STAB! COMEDY THEATER, 9PM, \$7

Did you know that some 30 percent of a comedy venue's operating cost comes from powering the lights and providing makeup for the talent? STAB! Comedy Theater eliminates both of those expenses with this night of comedy in the dark. It'll turn the lights down and commence with the jokes, letting you focus just on the sounds and smells of comedy. Come join Ray Molina to experience funny in the way of the ancient Greeks at night: poorly lit and outside of your comfort zone. **1710 Broadway, stabcomedytheater.com.**
