

ASKED AT THE SACRAMENTO WATERFRONT: Your 'Old Sac' fixes?

AUGUSTINE CRUZ
college student

I would like to see it change to help develop business growth—to redevelop our economy and build up Sacramento and make it known as a better city, as opposed to ... thinking it's just a small town.

JOE CLEAVER
self-employed

I am quite pleased with the way things are. We come down on a regular basis and it's a wonderful experience. It is the perfect opportunity to grow and expand with the new arena.

SUSAN PACK
real estate agent

It gets so crowded, and you really can't get out of the heat. I'd like to see more places where you could sit down. There's lots of older people and young children who get really tired.

DIANE MCHALE
teacher

Having it cleaned up and user-friendly. However, it's really important that we're respectful of people who are homeless and displaced.

AJ COLOMB
bar owner

More seating would be nice—that isn't associated with restaurants. I'm looking forward to seeing the changes.

NICHOLAS SAENZ
university student

I would like to see some more businesses to attract more people. It's beautiful already but if we could make it bigger and get more people here, I think it will really thrive.
