

ASKED AT ESPRESSO METRO ON 11TH AVENUE: Unconvincing conspiracies?

MIKE DODGE
student

That an alien civilization from another world has observed our increasing likelihood to destroy ourselves ... and at the last minute they're going to come down and rescue us.

YADIRA VARELA
marketing worker

That there are people like freezing their brains somewhere for later use or something ... I know that it exists, but I'm thinking more on like a weird, sci-fi level.

JOHNNIE DEE
graphic designer

I firmly believe that JFK was a hit job [by members of our government.] It wasn't a lone gunman.

QUINCY GONZALES
barista

Have you heard of like the reptilian people? They're celebrities who people think that they are half-reptilian and they can turn reptilian and then back to human ...

MATT FUNAKOSHI
technology worker

Does flat Earth count? I [was] watching some YouTube videos about that, and I thought that was pretty bad.

ROXANNE MILLER
retired lobbyist

I've never really given much thought to it ... I deal with reality. I don't really deal with abstracts. I'm informed by the media, all sides, so that I'm educated so I can draw a conclusion. I don't have time for conspiracy [theories].
