

ASKED AT THE WATERFRONT: Favorite free activities?

NICK PAGAN

Sightseeing is something free to do. Simply walking around and taking a look. There are a lot of beautiful buildings and it's very scenic around Sacramento.

Riding the bike around. Riding up and down the river is pretty good, and riding around downtown is always nice.

MARK FINLEY

I like to come to Old Sacramento and walk around, tourist stuff.

JAZZ PINGOL

There's a lot of excellent picnic spots. Going on a picnic is always nice to do.

JAY MURDOCK

Go to the river or go to the park. I like to ride around, drive around all over different areas and just enjoy my city.

I like to go to my mom's and eat food.
