## *Crepes & Burgers is Proud to Announce a Second Location!*

**C**repes & Burgers strives to provide a special dining experience to each and every person who walks into its restaurant. The staff are welcoming and friendly. The food is delicious.

Martin Garcia, head chef and owner of Crepes & Burgers brings his passion for service and experience with food to the kitchen by using only the freshest ingredients to design high-quality, thoughtful meals for those who dine at his restaurant.

Over the last 2½ years of operating in Citrus Heights, Crepes & Burgers has become a reliable, go-to restaurant for people in the neighborhood and many who live in surrounding cities. Every dish is made-to-order, so diners won't have to worry about making special requests to fit their personal preferences. While there are plenty of healthy meal options on the menu, there is also a wide selection of choices for those that want something a little more indulgent. That doesn't stop with the food! The drink selection is just as considerable, ranging from espresso beverages and fresh-squeezed orange juice to a bar with beer, wine and mimosas.

Because of Crepes & Burgers' dedication to superior customer satisfaction, it has done exceptionally well and is proud to announce that it will be opening a second location in Fair Oaks on June 24th, 2019.

The new location will be at the corner of Madison and Dewey: 6720 Madison Avenue.

We would like to offer a huge thank-you to our loving patrons.

We wouldn't be in this position without you all and your continuous support over the last two years.

We're excited to bring another Crepes & Burgers to Fair Oaks and grow in that community. We hope to expand to surrounding cities very soon. Words cannot express how thankful we are to Citrus Heights for allowing our business to flourish and become what it is today. Your constant support has made our dreams possible and we hope to serve this community for years to come!

*Special thank-you to George & Betty Goodie. This wouldn't have been possible without your support!*

*In loving memory of:  
George Goodie*
