TEMPORARY HOME FOR BROADWAY ON TOUR

While Community Center Theater is under renovation, the 2019-20 Broadway On Tour season will take place just a few blocks away at Memorial Auditorium, 1515 J Street in Sacramento. Broadway On Tour shows will return to Community Center Theater for the 2020-21 season.

The city has spent more than \$16 million to upgrade Memorial Auditorium so it can accommodate the complex technical needs of touring Broadway shows. Those improvements, which include new seating on the Ground Floor and acoustical upgrades throughout, will significantly enhance your experience when attending Broadway On Tour shows at the facility.

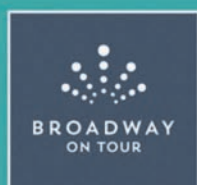

Will Call tickets will be available for pick-up at Memorial Auditorium Box Office one hour before performance time. Please Note: There are no elevators to the Lower Balcony and Upper Balcony seating sections.
