GETTA CLUE

When it comes to local streetwear shops, Getta Clue is one of those Sacramento staples that lights up the grid. The fashion hub has been around for more than two decades and seen a lot of change. After moving from K Street Mall to Midtown during the Golden 1 Center construction, the shop moved back last year to the newly rebranded DoCo. Now settled in its new

digs, Getta Clue has plenty to offer: fresh kicks to put on your feet, cool little hats to put on your head, sick tees to throw on your back and several pairs of pants you can tie together to form a rope that you'll later use to climb out of your window in the middle of the night to meet up with the gang and solve the Mystery of the Long Tunnel. It's a fashion enthusiast's dream!
