NOON, NO COVER

Join the folks from Sac Library's Alt Library for an afternoon walk and talk with books. You'll meet and talk with fellow book lovers and explore downtown at the same time. Sound like a dream? Show up, then. The book is Macy Beth's *Dopesick*, and the discussion is centered around it. Can't make this discussion, or haven't read the book yet? There's another meet-up on the fourth Wednesday with the same book. 910 I St., meetup.com/altlibrary.
