Superfest Sacramento

TSAKOPOULOS LIBRARY
GALLERIA, 1PM, NO COVER

Moving pictures have the power of representation. When a young boy or girl looks up at the silver screen and sees someone

who looks like them, that can make an impact on their mental image of themselves. People with disabilities should get that feeling, too, and Superfest, the long-running disability film festival, is coming to Sacramento for people with disabilities to see themselves on the big screen. Catch films such as the documentary *Deaf Jam* at Superfest Sacramento. 828 I St., saclibrary.org/Event/Special-Events/Superfest-Sacramento.
