

## SATURDAY, 1/25

### Titans in Sac

HOLY DIVER, 6:30PM, \$10

The Last Titan is a pretty hardcore name: Greek children of primordial deities, preceding even the Olympian gods, well known for their power and overthrowing

**SAMMIES** their tyrannical father Uranus. It's a killer thing to be a Titan, and fitting that they would play metal music. I can't promise that the Sacramento metal band are the siblings of Cronus or Phoebe—they'd be getting a bit long in the tooth to be performing—but they are nominated in the 2020 Sacramento Area Music Awards. This Saturday, you can catch the maybe deities at Holy Diver. 1517 21st St., [holydiversac.com](http://holydiversac.com).
