Shh!
We're watching
silent films!

The Artist • APRIL 2, 6:30 PM
Free docent tour at 5:30
The Artist takes an admiring look at the silent film stars who were forced to evolve as synchronized sound entered Hollywood and "talkies" took over the screen. Seasoned silent actor George Valentin must learn a few new tricks from the up-and-coming Peppy Miller as the two navigate the technical innovation that would change movies forever.
