

ASKED AT SUNDAY FARMER'S MARKET ON 8TH AND X:

## Your worst date?

JUDITH PAINTER  
college adviser

He took me to this kind of fancy nightclub called Elan, which also turned out to be his name. ... I think what made it bad was that my dress that I wore ... ripped, and I'd borrowed that dress.

ZACH BENSON  
state worker

I had a person that I decided to stop seeing. ... I was going to do a big interview the next day. I came out to my car and all my door handles had dog poo stuffed in all of 'em.

NICK PIOTROWSKI  
engineer

It was a Tinder date. It was a first date. She was just a boring, horrible person who was really mean to the waitress. So I excused myself to the bathroom and the waitress let me out the back door.

CAMILLE CAMPOS  
high school art teacher

I went to play pool with me and my friend, and the guy who I was going on a date with met us and he was just super awkward ... Me and my friend "went to the bathroom" ... and we just left.

FLOYD JOHNSON  
machinist

Me and my brother, we went on a double date, went to the movies, and the girls, they said, "We'll be right back." And they left and never came back ... We weren't entertaining them enough, I guess.

LACY CULBERTSON  
food service

It would be in high school. I was going on my first date ... While I was at dinner, I started feeling really sick. ... I literally ended up throwing up on the table, in his soup and everything.
