CHICAGO

THE NATIONAL TOUR

A group of performers from the Chicago National Tour are posed on a stage. In the center, a woman in a black sequined dress and a man in a black mesh shirt and pants are the focal point. They are surrounded by other cast members in various costumes, including corsets and leotards. The background is dark with stage lights.

Long identified with the legendary Bob Fosse, *Chicago* has won six Tony® Awards, two Olivier Awards, and a Grammy®. A musical that has all the stuff that makes Broadway memorable! Eight shows.
