

Go electric and save with rebates up to \$4,000!

The electricity we deliver is now cleaner than ever – with about 50%, on average, coming from carbon-free sources. As your community-owned, not-for-profit electric service, we have rebates to help you save on electric vehicles and appliances.

Going electric is better for the environment, safer and costs less than natural gas.**

Learn more at smud.org/GoElectric

Electric Vehicle	SMUD Rebate \$599
Induction Cooktop	SMUD Rebate up to \$500
Heat Pump HVAC*	SMUD Rebate up to \$4,000
Heat Pump Water Heater*	SMUD Rebate up to \$2,500

**Rebates are available for systems installed by an approved contractor in our SMUD Contractor Network.*

Powering forward. Together.

**The average residential customer that switches from gas to all-electric can save an average of \$500 per year on their utility bills, based on PG&E gas and SMUD electricity rates.
