How SacRT is Keeping Riders Safe:

SacRT's number one priority has been and continues to be the health, safety and well-being of our customers and employees. In response, SacRT has implemented and/or increased best practices to create a safer transit environment.

- Blocking off certain seats in buses and light rail trains to provide physical distancing
- Installed protective plexi-glass barriers on each bus by the driver's seat to reduce risk when paying fare
- Requiring all employees and riders to wear a face covering or mask when riding buses and light rail trains
- Fogging and disinfecting buses, light rail trains and facilities
- Cleaning and sanitizing all touch points
- Reminding riders to maintain social distancing at stations/stops and onboard vehicles
